ALPHA offers a full lighting solution for projects. Our style is predominantly 'Contemporary'. Our designers work on projects of every size and on every aspect of the design from initial architectural conception to the last finishing details of the completed project.

We work with architects and designers closely to work out the innovative lighting designs to rebuild the space by our perfect lighting solution they love to live in.

A perfect lighting is FUNCTIONAL.

A perfect lighting EXPRESSES a MOOD.

A perfect lighting exhibits a SENSE OF HARMONY.
